

The logo features the letters 'gsm' in a bold, black, lowercase font. To the right of 'gsm' is a green graphic of a roof gable. Below 'gsm' is the year '2013' in a smaller green font. Underneath '2013' is the word 'Great' in a black serif font, followed by 'ROOF' in a large, bold, green sans-serif font, and 'GIVEAWAY' in a black sans-serif font at the bottom.

gsm 2013 Great ROOF GIVEAWAY

WINNERS ANNOUNCEMENT!

The second year of the Great Roof Giveaway found the judges having another “soft-hearted” attack! The decision for the winner was once again very hard to make and with some creative thinking and help once again from the Gooding Group Foundation, each of the eight entrants was awarded some help toward a new roof.

The winner chosen for the volunteer roof replacement was **Susquehanna Valley Pregnancy Services (SVPS)** located at 112 West Main Street in Ephrata. The volunteers began the day with a hearty breakfast at a local restaurant and then proceeded to the site for a day of giving. The pictures show the volunteer crew tearing off and replacing the garage/warehouse roof for SVPS. The employees at SVPS were so appreciative of receiving a new roof that they provided some delicious snacks and a huge fresh fruit salad for lunch.

The roof did not take long to tear off as it was not very big. By the time the last GSM truck rolled in, the roof was already stripped and in preparation for the new roof. The volunteers, both staff and roofers, soon had the job tasks well organized and proceeded with laying the new rubber roof. It was finished in time for a delicious lunch of chili, macaroni and cheese and other goodies the GSM staff had made.

Above, the proud crew posed for a picture of the finished roof

At the right, SVPS displays a thank you and the presentation board they received from GSM

The other agencies were awarded the following:

Lancaster Public Library – \$2,500 from the Gooding Group Foundation

Haldeman Mansion Preservation Society – \$2,500 from the Gooding Group Foundation

Spanish American Civic Association (SACA) – \$2,500 from the Gooding Group Foundation

Neighborhood Services – Approximately 40 hours of Roof Repairs and Materials. Repairs will be made to their rubber flashings and masonry walls.

Lancaster Cleft Palate Clinic – Approximately 40 hours of Roof Repairs and Material. Repairs will be made to their ballasted rubber roof mostly around rooftop penetrations.

Milagro House – Replacement of their flat roofs at the back of 320 and 322 S. Christian Street, Lancaster.

Housing Development Corporation (HDC) – Replacement of two flat roofs at 3 N. Shippen Street, Lancaster
